on Grand Larceny Charge And

Floyd Bryant, age 23, Carthage youth who was convicted in the circuit court here November 23 on a grand larceny charge, appeared this morning to have sentence passed, after the court overruled his motion for a new trial, and a petition signed by 91 persons of Carthage, asking for clemency, was heard, and Judge Sparks, acting on the petition, granted the defendant a suspended sentence pending good behavior.

The court, wishing to comply with the wishes of the people who know the young man, decided that if it were the desires of those people to have the sentence suspended, that he would listen to their plea. The fine of \$40 and a sentence of from 1 to 14 years was suspended.

Respectfully:

DELAYS MORGAN STREET CONTRACT

Capitola G. Dill Obtains Temporary
Injunction in Circuit Court And
Steps Proceedings

COUNCIL RECEIVES BIDS

Six Contractors Submit Estimates
And Final Decision is Held Up
Until Dec. 31

Bids on the paving of Morgan street were opened Tuesday night at the regular session of the city council, and the decision on the bids was postponed until the adjourned session, December 31 at noon, following a temporary injunction filed against the city by Capitola G. Dill, a property resident of the street, who opposes the paving.

The court late Tuesday granted the temporary injunction restraining the city officials from entering into a contract for the construction work until the court action can be heard, and the court has placed December 20 at 9 a. m. as the time for hearing the plaintiff's injunction.

The bids of six companies were opened and read, and the council passed a resolution declaring themselves in favor of a concrete street, as the bids were received on four different materials. The bids of the various firms were not totalled, and were submitted on footage basis.

The firms making bids were the Andrews Asphalt Paving Company, Hamilton, O.; Citizens' Paving Company, Kokomo; H. B. Holman, Rochester, Ind.; Seaman Construction Co., Goshen; Winslow and Hooten, Greenfield; O. J. Larkin, Greencastle. The bid of the Greencastle concern was said to figure up the lowest.

Following the annual custom of the council, the session adjourned until noon, December 31, when all bills against the city will be allowed, and after this business has been transacted, the council will again adjourn until two o'clock in the afternoon to award the paving contract.

The plaintiff, Mrs. Capitola G. Dill, alleges in her suit that in 1897 an ordinance was passed, and never repealed, in which the width of certain streets was defined and in the list was Morgan street.

In the year following 1898, according to her complaint, the city carried out the provisions of the ordinance and improved the street to conform with the ordinance in width. The city council this fall advertised for paving bids, and extended the

The five troops of Rushville Boy Scouts pledged \$25.00 to the Daily Republican-Salvation Army Santa Claus fund, at their union Christmas meeting in the court house assembly room Tuesday evening, thereby living up to their aim of doing a good turn

whenever the opportunity presents itself.

The Scouts readily took up with the suggestion, when presented to them, that they give according to their means towards the fund that will be used by Santa Claus in making Christmas a happy day for the unfortunate little folks of Rushville who have pinned their faith alone in the Old Gentleman from the North Pole. The pledges were made by troops.

Over 125 boys were present and took part in the meeting, which opened at five o'clock and continued

Though he is still \$30 behind last year at this time, Santa Claus is not so downhearted today as he has been for the past few days, because the Daily Republican-Salvation Army fund was boosted more than \$100 today.

The most of the money came from the members of the Rotary club, who have been making up a fund during the past week to help Santa Claus in his effort to reach every chimney in Rushville Christmas eve—especially those where the little folks are placing their faith in him alone.

The Rotary club has always been a very liberal contributor to the fund and this year proves no exception to the rule. Members of the club also, together with members of other civic clubs and fraternal orders, assist in the buying and the distribution of the gifts.

HENRY FORD COMES OUT FOR COOLIDGE

WOULD NOT RUN AGAINST HIM

Detriot Mich., Dec. 19—Henry Ford today declared himself in favor of President Coolidge's election.

"I am for Coolidge," the manufacturer said casually. And in that brief phrase effectively disposed of his own presidential boom.

"I would not consent to run on any ticket against Mr. Coolidge," Ford added.

"The country feels perfectly safe with Mr. Coolidge and there ought not to be any disturbance arising from a presidential contest."

Ford expressed his belief that nine-tenths of the people were satisfied with Mr. Coolidge. "Why change?" he asked.

The auto manufacturer suggested it was time for another "era of good feeling" such as that which brought about the election of President Monroe.

The first report from any of the townships, with the exception of Rushville outside the city, today helped materially in swelling the Christmas Seals and Health Bond fund and sent it far over the sum reported for the same day last year. At this time last year, however, none of the townships had made reports.

Miss Dorothy Sparks, chairman in charge of the township sales, stated this morning that indications were good for a big increase in receipts from all sections of the county outside of Rushville. Some of the townships in their preliminary report today exceeded the sum they raised last year.

The total reported by six townships amounted to \$205.65, which together with \$43.84 from the city, took the Seals campaign fund well over \$1,000 and far above the total for the same date last year.

Seals and Bond purchasers in Rushville were as follows:

DR. LEE QUILTS AS HEALTH OFFICER

Buss Ordinance Referred Back to
Committee for Revamping—Re-
solutions Committee Named

Dr. John M. Lee, city health commissioner, tendered his resignation to the city council Tuesday night, when they held their regular session and his resignation was accepted. The appointment of his successor is left to Mayor Thomas, who will name a local physician for that office by January first.

Failure on the part of people and officials to stand by the health board in their work, was given as the reason for Dr. Lee's resignation, and he urged in his letter to the council that the time was not far distant when a full time health officer could be employed.

The bus ordinance, which has had a stormy time for several months, and which was placed on first reading at the last session of the council, was again thrown back in the committee to be revamped, and reworded in order to define more specifically what streets the busses are supposed to travel on, and also to place a license fee of \$25 and \$50, with the first fee for busses carrying up to 12 passengers, and \$50 for busses carrying more than 12 passengers.

The matter of police was discussed only lightly, and the police committee was given a further extension of time. Mayor Thomas recommended that they look over the hay-mow in the city building with plans for remodeling it, and the committee was given time to make the necessary plans.

The fire limits ordinance was placed on third and final passage last night, which now extends the zone to include all territory, beginning at the corner of Fourth street and Morgan, extending south in the middle of Morgan to Third, west in the middle of Third to the first alley, south in the alley to the south corporate limits, east to the eastern corporation, and north to the C. I. & W. railroad, then west on the railroad to the place of beginning.

In the fire limit zone, no building can be erected unless of fire proof material, no addition can be built or remodeling done unless it conforms

AMERICAN LEGION IS TO PLAY SANTA CLAUS

Will Distribute Toys and Candy Among 300 Children at Soldiers and Sailors Orphans Home

PLANS FOR CHRISTMAS EVE

Knightstown, Ind., Dec. 19—Three hundred fatherless and motherless children in the Soldiers and Sailors Orphans' Home here will receive a visit from Santa Claus Christmas Day, according to a North Pole radiogram forwarded here by the American Legion and the American Legion Auxiliary.

Members of the two organizations will stock up the good Saint's bag with toys and candy at Indianapolis and send him here by automobile truck Christmas eve. Each child will receive a gift. Three weeks ago the children at the Home were asked to write letters indicating what they would like to receive for Christmas. These preferences have been followed and each child will receive the present asked for.

A Christmas tree twenty-two feet high is to be erected in the chapel at the home. Exercises, including the singing of Christmas carols and a cantata, will precede the distribution of the gifts. A vaudeville team from the Keith circuit has volunteered its services for part of the entertainment.

Gifts for the orphans were bought out of a fund of \$700 made up of small donations from Legion posts and auxiliary units in all parts of Indiana. In addition to the orphans at the Home, about a hundred war orphans living in other sections of the state will receive Christmas packages.

I. & C. REMOVES TRACKS

The I. & C. Traction company has removed one of their tracks in West Seventh street, from Hodges, Branch to almost Oliver street, and all cars pass over the same track for the distance of nearly two blocks. The crossings over the Big Four and Nickel Plate railroads, have been a constant source of trouble, and by combining the tracks into one, it does away with some of the difficulty.

ALL THAT REMAINS

The indirect cause of the fatal Twentieth Century Limited train wreck at Forsyth, N. Y., was a luxurious sedan that stalled on a railroad crossing. The first section of the crack limited struck the auto and the photo above shows all that remains. Nine persons were killed in the train wreck.

Two Bills Introduced in The Senate Today By Edge

Washington, Dec. 18.—Two bills to revise the Volstead act were introduced in the senate by Senator Edge, New Jersey, republican.
The first would raise the permissible alcohol content of beverages from one-half of one percent to two percent.
The second would relieve restriction against the issuance of liquor prescriptions by physicians.

was convicted and sent last summer from Hancock county to the state penitentiary, and he escaped in September, coming to a farm west of Arlington. Local officers were never notified concerning his escape.
The woman was living with him as his wife, and she told the officers this morning that she had served one term in the woman's prison for a similar charge.

The couple was implicated in a transaction at Knightstown involving a note, and Marshal Bradway of that place came yesterday to have them arrested, and which resulted in the unravelling of the lives of the two. Ellerman fled when the officers attempted to arrest him, and it was after a three hour search before he stopped, and after shots had been fired at him.

Ellerman is the same person who a few years ago was being taken to the reformatory by E. M. Jones, late sheriff of Rush county, and who made a dash for liberty as they were boarding a traction car at the station here. At that time Ellerman ran across the country and was rounded up near Shelbyville, and returned here and served a sentence on the larceny charge.

A representative of the state farm came early this morning and took him back. The woman will be taken to the prison, probably Thursday or Friday, where she will serve her term.

change over from single phase to direct current operation, are scheduled for completion by March 1 and constitute the first step in a plan to extend the Indianapolis-Rushville line to Cincinnati, a distance of seventy-three miles, providing interurban service for a territory that has not had such service.

The Westinghouse Electric and Manufacturing Company, which originally equipped the road, has the contract for providing the motor, air brake and control equipments for the twelve new motor passenger cars and four extra motors for equipment for freight motor cars and for eight automatic substations, one semi-automatic substation, and one portable automatic substation.

Under the improvement plan the company eventually proposes to abandon the Rushville powerhouse, finding it cheaper to buy power than to manufacture it.

The contract for supplying the new current carrying cables over the Indianapolis, Rushville and Connersville line, as well as the line from Indianapolis to Shelbyville, is held by the Western Electric Company.

This error was pointed out as one of the cases of illegal procedure in the course of the proposed paving of the street, and several other items were set out in which the plaintiff seeks to have the city permanently enjoined from continuing with the paving.

Don't Complain of Your Wife's Cooking

Auburn, Ind., Dec. 18.—It's a perilous thing for a man to complain of his wife's cooking, even after they have lived together for a third-of-a-century.

"I never could please him" she declared. They had been married 33 years.

TOBACCO SELLING FOR LESS THAN LAST YEAR

Number of Locals Ask Co-Operative Association Leaders To Hold Crop For Higher Price

RECEIVING PLANS OPENED

A number of Locals of the Burley Tobacco Growers' Co-Operative Association the past week adopted resolutions asking President James C. Stone and other leaders of the co-operative to hold the 1922 crop which is left over from last year and all of the 1923 crop until a "fair and profitable price can be realized for it."

Action by the locals followed a week's sales on the auction markets, the prices being made: the growers being 33 1/2 per cent lower than the opening week of 1922 market. These declines were general, being as marked at Richmond, Kentucky, and Greenville, Tennessee, where previous prices have been strong, as at the smaller markets.

At Lexington the sales for the week showed a loss of \$9.52 a hundred pounds from the average of last year's opening week. The sales for the week averaged \$19.76, as compared with \$29.28 a year ago. It was said at the Lexington re-

ceiving plants, which were opened last Thursday and received Thursday and Friday of last week, that the advances averaged more than 11 cents a pound on the crops delivered.

Receiving plants of the Association throughout the district opened last week.

GROWERS OF BURLEY TOBACCO, SHALL WE STAND TOGETHER?

The growers of Burley tobacco are mainly confined to a favored section of seven states—Kentucky, Ohio, Indiana, West Virginia, Tennessee, Missouri and Virginia. No other place in the known world produces Burley tobacco and there is no reason why, if the growers stand together in marketing their crop, that they should not receive a profitable price for it year after year.

The experience of the past has taught that the growers MUST STAND TOGETHER if they are to be able to collect fair prices. Otherwise their competition with each other will mean that the buyers will fix the price to be paid and that the growers will HAVE to take that price, whether it be profitable or not.

The experience of the new Burley Co-operative teaches us that we CAN get our price for tobacco by STANDING TOGETHER. The experience of the outside growers for the past month should be evidence to them that they have nothing whatever to say as to the prices they shall receive. Tobacco is now selling on the auction markets at less than the cost of production because the GROWERS have nothing to say as to the prices they shall receive.

There is only one way in which the growers ever can have anything to say as to prices they shall receive, and that is to unite in marketing their crops. For this reason and in the interest of the tobacco producing industry as a whole—association and non-association—the Burley Tobacco Growers' Co-operative Association has opened its books for new members until January 2, 1924. All growers of tobacco who want a fair price for their product are urged to join the Association NOW.

Let us all hang together in this matter. If we do not, in the words of the revolutionary patriot, we shall most assuredly "hang separately" and return to the old conditions which existed before the organization of the Burley Tobacco Growers Co-operative Association. These conditions are still fresh in the minds of all tobacco growers.

Sign a contract TODAY. Join with your neighbors for stable prices for tobacco and better conditions generally on the farms of the Burley district. All headquarters offices are now at 620 South Broadway. Telephone 5195 for all departments.

RIGHTEOUSNESS PAYS—Bet-

Proverbs 16:8.

A Sad Commentary

It is a sad commentary on the po-
lice protection afforded Rushville
that the slayer of City Councilman
Luther C. Sharp goes free without
any apparent effort being made to
apprehend him.

Those in charge of upholding the
law seemed totally at sea in regard
to a motive and apparently nothing
was done to unravel the mystery that
surrounded the fatal shooting of a
public official.

The county sheriff knew nothing

MAKE NO MISTAKE

Our lives are largely what we
make them.

We can neglect ourselves mental-

become weak and rundown, or we
can live properly, cultivate cheer-

there is help at hand. For over 20

we hope to do good to others.

of the shooting until ten o'clock the
next morning, according to his own
statement which was almost twelve
hours after the deed had been com-
mitted. Why he was not notified by
the police is not generally under-
stood.

Much criticism of the police de-
partment was heard after the shoot-
ing, because more determined efforts
were not made immediately after the
attempted holdup, to get some trace
of the man who was responsible.

Since the death of Mr. Sharp, the
critics of the police are more vio-
lent. Many were of the opinion that
bloodhounds should have been called
to take up the trail of the offenders.

The unfeeling work that has
been done towards the solution of
the murder recalls the killing of a
grocer named Wagoner, at his home
at the corner of Ninth and Arthur
streets, several years ago. That mur-
der was never solved and the police
then were just as much puzzled as in
the present case. In that mystery,
however, the police did not have the
opportunity to get a clue on which
to base an investigation, such as they
had in this case.

Half Naturalized

Last year about 145,000 persons
were admitted to American citizen-
ship, but as immigration is around
350,000 a year it is evident that half
the aliens coming to our shores have
no intentions of becoming citizens.

The statistics of aliens returning to
their own countries bear out that
conclusion.

They come here to win a fortune
under our beneficent laws and insti-
tutions, and then return with it to
their own countries. They make little
effort to learn our language or con-
form to our customs, and frequently
they align themselves with radical
elements that are seeking the over-
throw of the American government.

A law for the registration of such
people is imperatively needed, and a
bill for that purpose is now pending
in congress. In the opinion of the
department of justice, it will be a
most powerful weapon with which
to combat communistic influences.

MILROY HIGH SCHOOL

Selects Officials For Game To Be
Played on Rushville Floor Fri-
day Night

THREE CONTESTS ON THE BILL

Milroy high school will be the host team here Friday night when they play Rushville in three basketball games, and officials for the contests were announced today. At the former game, Rushville was host, and on Friday night, it will be the same as if the locals were playing a return game at Milroy.

Milroy has selected Morrison of Indianapolis as referee and Hall of Richmond, as umpire, for the big game. W. E. Wagoner of Indianapolis has been selected as official score keeper and Van Hood, formerly of Carthage, but now of Indianapolis, also has been picked as official timer.

Milroy has been practicing a couple of times this week on the floor here, and they expect to present their strongest line-up in the game Friday. Two preliminary games will be played, in which the girls teams, and the second teams of the two schools will be featured. The first game between the girls will start at 6:30 o'clock.

The Lioness' won from the Milroy girls when they played here a few weeks ago, but we understand that one of the Lioness' won't be in the game on account of a subject called department, and this ought to give the Milroy girls a little hope.

Our Ancient History

Just 15 years ago this week, Manilla trounced Moscow again, 41 to 12, which shows that history repeats itself, at least in a 15 year cycle. Last week, Manilla walloped them 71 to 7, according to our 15 year ago columns.

CAN HISTORY REPEAT?

Just 15 years ago this week, Rushville downed Milroy by a one sided score, and we are just wondering if that repeat stuff will work again.

Dear Santa Claus: We are two little boys of 18 years each. We want for Xmas to the end of the basketball season, a good referee, good moral boosters, good sportsmanship, and no ill feeling between teams. Santa Claus, we have been true to our team, and good clean sports all of this term. Your little fans, "HASH and HASH PO."

LOOK WHAT CLINTON
HAS DONE

The following has no place in any basketball column, but merely shows you the kind of clippings with which Georgie Purcell fills his "net column." "We've all heard of the girl who had to swim back from a motor boat ride, but we all look up to the girl who had to parachute back from an airplane ride." —Clinton Clintonian.

Good Advice From
Columbus

(Watchin' and Guessin')

Hittin' 'Em, in the Rushville Republican, says they are thinking of calling their second team, Lion's Cubs. Ata Boy Hittin' 'em, get them some pretty heads to go on their suits like Greencastle. Greencastle came on the floor here Friday night wearing a ferocious Tiger head on theirs.

OVERATED WE'D SAY

(Bobby, Frankfort)

Anderson 60; Connersville, 30. Seems as though some of these columnists have been over-rating Connersville. About a week ago Evansville remarked that if she could beat Connersville she would command a place among the best good ones. But as we said a while ago, it's a funny ole game.

SHELBYVILLE ELKS
TO MEET ARLINGTON

Rush County Team is Rounded Into
Shape For Contest in Arlington
Thursday

KELTS IN PRELIMINARY

The Arlington Athletic Club basketball team will face some real opposition Thursday night when they hook up with the Shelbyville Elks at Arlington in their third game of the season. Fans are assured of the fastest basketball game to be played in Rush County this season. Arlington's team is rounding into form for this early in the season and their passing of the ball in last weeks game when they defeated the Speedy Westland team was marvelous and they are expected to continue this early season showing.

The team has in their lineup Shook and Gardner, forwards. All fans in Rush county know the ability of these two speedy forwards, with Emerson Headlee at Center form a real combination that is equal to any in the county. Wicker and Miller are real floor guards, Hutchens at back guard, former Manilla high school player is showing up well. Haley, sub forward for Arlington, is showing well as a running mate to either Gardner or Shook. Last year the Shelbyville Elks were defeated by the Arlington team by one point in a hard fought game. The Shelbyville team has in their lineup the Richeson brothers, Kaufman, Hogue, Blakley and Moore. Arlington's team is out to repeat last year's victory. The Junior A. C.'s will play the curtain raiser with the Rushville Kelts. First game will start promptly at 7:30 P. M.

A CHRISTMAS CANTATA

A Christmas cantata entitled "A Trip to Clatsville" will be rendered at the M. church in New Salem next Mon. night. A Christmas tree will also be a part of the program. Everyone is cordially invited and urged to bring their presents and put them on the Christmas tree.

Purdue And Indiana Basketball
Teams Will Give Big Ten Teams
Fight This Year

MOSTLY SECOND YEAR MEN

Each College Has Well Recognized
Players to Fill in Gaps Made by
Graduation

Indianapolis, Ind., Dec. 19—Hoosierdom's representatives in the Big Ten basketball race this year promise plenty of trouble for their opponents.

Hopes of the Purdue and Indiana University quintets rest largely on second year men, but these men were of such recognized ability in high school and showed so much promise on freshmen teams last year that they are expected to fill all gaps left in the lineup by graduation.

Among the stars who will be missing from the Purdue lineup this year are Masers, Eversman, Holwerda, Kreighbaum and Treat.

The regulars left from last season and Captain Slum, Gullion, Robbins, and Wellman.

Coach Lambert has three reserves of last year and nine sophomores with which to build his team.

Travis and Moss, forwards, did not receive their letters last year but they are experienced net performers.

Four sophomores of whom much is expected, are Theobald, Spradling, Taube and Harneson. The last three played football. Spradling was an all state center at Frankfort high school. He can play a forward position.

Harneson at forward, is another rangy player with plenty of promise. Carl Cramer, who hails from Michigan, will be groomed as Capt. Gullion's understudy.

At Indiana University the five will be led by Kenneth Alward at back guard. He is not the usual size of a player to fill that position but his work last year stamped him as one of the best in the Big Ten.

Parker, the big center who towers six feet six inches, is back this year and Coach Mann says he will go better than ever this season.

Nyikos at forward is fast on the floor and a natural basket shooter. But again it is the sophomores of whom much is expected. Sponsor, former Bloomington high school star is the leading candidate for the difficult job of floor guard, Logan is counted on to play either center or forward, while Drueckmiller, an all state high school selection two years ago, is slated for a forward berth.

Besides these there are a number of other varsity men, such as Knoy and Coffey, who are finished players.

AMUSEMENTS

"The Gingham Girl"

Playgoers who have heard of the rare quality of the musical comedy, "The Gingham Girl," for the past year and a half, will have an opportunity to enjoy this show at the Murat theatre Christmas week, beginning with a matinee Christmas day. The original cast and production are to be seen here, fresh from a solid year in New York and five months in Chicago, where it is now winding up its record-breaking run. Daniel Kusell wrote the book, Albert Von Tilzer contributed the musical score, the lyrics are by Neville Fleece and the musical and dancing numbers were staged by Sammy Lee. Prominent in the cast are Joe Laurie, Jane Richardson, Midgie Miller, Bertee Beaumont, Russell Mack, Rex Carter, Julia Ralph, Walter F. Jones, Olive Reeves-Smith, Joyce Fair, Sidney Tracy, Bessie Hay, Bebe Stanton, Maude Ladiate, and a score of others.

Golf Honors in 1923

By HENRY L. FARRELL
(United Press Sports Editor)

New York, Dec. 19—Golf always has been a sport inclined to scatter its honors and keep its glory moving and 1923 was no exception to what has become a general rule that champions can't repeat.

Only two of all the major title holders of 1922 were able to retain their places at the top through the heated campaigns for 1923.

Gene Sarazen was able to retain his crown as the professional champion of the United States and Chick Evans did his annual stunt of winning the western championship.

Sarazen's victory in the professional tournament came late in the season and it prevented him from having a most unprofitable year, as he failed to qualify in the British open championship, lost his title as the American open champion and fell far below his 1922 standard of play in the other important tournaments.

Walter Hagen, who shares with Sarazen the credit of being the greatest match player in America, also had an off-season. He failed to win a single championship of importance and he lost the British open title which he won in 1922.

Professional golfers are inclined to take the loss of titles more seriously than amateur players as purses and fees for professionals depend naturally upon the list of titles that they can tack on to their signature.

Perhaps the feat that was most popularly received by the public was pulled off by Bobby Jones, the Atlanta youth, who came through spectacularly and won the American open championship in a play-off with Bobby Cruikshank, the clever little Scot pro.

It was pleasing to Bobby's friends, not only because he had striven so long and so earnestly for the championship, but for the reason that it was won under circumstances that gave proof of Bobby's capabilities as a good, game golfer.

Jones had thousands of friends pulling for him to do that seldom-done stunt of winning both the open and the amateur championships, but he fell short of their hopes.

Max Marston, Philadelphia, considered as nothing but an outsider, slipped through while all eyes were on Jones, Sweetser, Guilford and the other favorites and he won the championship.

One of the features of women's plays during the championship season was the spirited comeback staged by Miss Alexa Stirling, several times national champion.

While the former Atlanta girl succeeded in winning the coveted Canadian championship, she was not good enough for the American title and Miss Edith Cummings, the Chicago girl, surprised everyone by coming through the tournament and winning the championship.

When Miss Cummings won the championship another unusual record was made, in that for the first time two major championships went to the same family. Dexter Cummings, of Yale, her brother won the intercollegiate championship early in the season.

As was the case in the United States, the British championships changed hands.

Roger Wethered won the amateur championship and Arthur Havers took the open title.

This meeting marked the close of the contest, and the division captained by Mrs. Alliene Jones won, receiving 192 points, and the division captained by Mrs. Frances Howell obtaining 147 points was the loser. ANSWER TO CHAPTER IX.

But while Little Red Riding Hood picked flowers, the wicked wolf ran straight to the grandmother's house and hammered at the door, "I am Little Red Riding Hood," he called out in false tones, "and I have brought you some nice things to eat."

"Come in, my dear," said the grandmother, "I am too weak to arise."

12 Good Reasons Why You Should Have An Account With This Strong Association

BECAUSE it is ABSOLUTELY SAFE. We loan on First Mortgages on improved Rushville and Rush County real estate.

BECAUSE we never go over two-thirds the value and generally about one-half.

BECAUSE with every payment our security gets better.

BECAUSE We HAVE NO BAD OR DOUBTFUL LOANS, and if any loss should develop in the future we have a fund of \$3500.00 to take care of it. This fund can be used for no other purpose.

BECAUSE the title to the property is investigated and is "good" before we will accept the loan.

BECAUSE we require borrowers to carry insurance to protect us in case of loss by fire or storm, usually to the full amount of the loan.

BECAUSE we are under State Examination the same as Banks and Trust Companies.

BECAUSE our active officers are under a heavy SURETY Company bond.

BECAUSE you can deposit to suit your convenience and you can withdraw in whole or in part WITHOUT NOTICE.

BECAUSE WE PAY 6 PER CENT AND NOT 3 OR 4 PER CENT. If not withdrawn this interest draws interest as it is compounded.

BECAUSE if you do not own your own home, possibly we can help you accumulate enough to make your payment of a part of the purchase price and we can help you with the balance.

BECAUSE there are many more GOOD reasons and no BAD ones.

Drop in and see us, maybe we can be of some benefit to you.
We will be pleased to see you.

DO YOU WONDER?

Asks This Lady, "That I'm a Believer in Cardui?"—Had Been So Weak She Had to Go to Bed.

Osawatimie, Kans.—Mrs. E. E. Keast formerly of Illinois, residing here, says: "We moved to this state eleven years ago, and I had good health for a long while; and then some year or so ago I had a bad sick spell. . . .

"I got so weak I couldn't go. I couldn't stand on my feet at all. I had to go to bed. I suffered a great deal. I was nervous I felt I couldn't live. I tried medicines, and everything; had the best of attention, yet I wasn't able to get up I lay for three months, not able to do anything.

"My husband is a bill poster and has circulars distributed. One day there came to be a Ladies Birthday Almanac among his circulars. I read it, and told some of the family to get me a bottle of Cardui. . . .

"I quit all other medicines and took it (Cardui) faithfully, and two weeks from the time I began to take Cardui I was out of bed—better than for months. I kept it up and continued to improve until I was a well woman.

"Do you wonder that I am a believer in Cardui? I certainly am. And I am sure there is no better tonic made for women than Cardui." NC-151

91 Persons

ABOVE REPROACH, THEY SAY

Young Man Convicted November 23
on Grand Larceny Charge And
Was to be Sentenced Today

Floyd Bryant, age 23, Carthage youth who was convicted in the circuit court here November 23 on a grand larceny charge, appeared this morning to have sentence passed, after the court overruled his motion for a new trial, and a petition signed by 91 persons of Carthage, asking for clemency, was heard, and Judge Sparks, acting on the petition, granted the defendant a suspended sentence pending good behavior.

The court, wishing to comply with the wishes of the people who know the young man, decided that if it were the desires of those people to have the sentence suspended, that he would listen to their plea. The fine of \$40 and a sentence of from 1 to 14 years was suspended.

The persons who signed the petition for clemency declared that they were acquainted with his reputation, which was free from reproach. The following is the petition, and the names of the persons presenting it to the court, and who were responsible for the clemency being granted:

To the Honorable Will M. Sparks, of the Rush Circuit Court:

To the Honorable Will M. Sparks, Carthage, Indiana, respectfully represent to your Honor that we are acquainted with Floyd Bryant, who was recently convicted in your court on a charge of grand larceny, and knowing this young man to have heretofore borne a reputation in this vicinity free from any reproach as to honesty, that he has always kept employed when able to work and has generally been respected in the community as of the equal of other young men similarly situated, we believe that justice will best be served, if your Honor will see fit to suspend the sentence to be imposed in this case and give this young man a further opportunity to display his worthiness. Respectfully:

DELAYS MORGAN STREET CONTRACT

Capitola G. Dill Obtains Temporary
Injunction in Circuit Court And
Stops Proceedings

COUNCIL RECEIVES BIDS

Six Contractors Submit Estimates
And Final Decision is Held Up
Until Dec. 31

Bids on the paving of Morgan street were opened Tuesday night at the regular session of the city council, and the decision on the bids was postponed until the adjourned session, December 31 at noon, following a temporary injunction filed against the city by Capitola G. Dill, a property resident of the street, who opposes the paving.

The court late Tuesday granted the temporary injunction restraining the city officials from entering into a contract for the construction work until the court action can be heard, and the court has placed December 29 at 9 a. m. as the time for hearing the plaintiff's injunction.

The bids of six companies were opened and read, and the council passed a resolution declaring themselves in favor of a concrete street, as the bids were received on four different materials. The bids of the various firms were not totaled, and were submitted on footage basis.

The firms making bids were the Andrews Asphalt Paving Company, Hamilton, O.; Citizen's Paving Company, Kokomo; H. B. Holman, Rochester, Ind.; Seaman Construction Co., Goshen; Winslow and Hooten, Greenfield; O. J. Larkin, Greencastle. The bid of the Greenfield concern was said to figure up the lowest.

Following the annual custom of the council, the session adjourned until noon, December 31, when all bills against the city will be allowed, and after this business has been transacted, the council will again adjourn until two o'clock in the afternoon to award the paving contract.

The plaintiff, Mrs. Capitola G. Dill, alleges in her suit that in 1897 an ordinance was passed, and never repealed, in which the width of certain streets was defined and in the list was Morgan street.

In the year following 1898, according to her complaint, the city carried out the provisions of the ordinance and improved the street to conform with the ordinance in width. The city council this fall advertised for paving bids, and extended the

The five troops of Rushville Boy Scouts pledged \$25.00 to the Daily Republican-Salvation Army Santa Claus fund, at their union Christmas meeting in the court house assembly room Tuesday evening, thereby living up to their aim of doing a good turn

whenever the opportunity presents itself.

The Scouts readily took up with the suggestion, when presented to them, that they give according to their means towards the fund that will be used by Santa Claus in making Christmas a happy day for the unfortunate little folks of Rushville who have pinned their faith alone in the Old Gentleman from the North Pole. The pledges were made by troops.

Over 125 boys were present and took part in the meeting, which opened at five o'clock and continued

Though he is still \$30 behind last year at this time, Santa Claus is not so downhearted today as he has been for the past few days, because the Daily Republican-Salvation Army fund was boosted more than \$100 today.

The most of the money came from the members of the Rotary club, who have been making up a fund during the past week to help Santa Claus in his effort to reach every chimney in Rushville Christmas eve—especially those where the little folks are placing their faith in him alone.

The Rotary club has always been a very liberal contributor to the fund and this year proves no exception to the rule. Members of the club also, together with members of other civic clubs and fraternal orders, assist in the buying and the distribution of the gifts.

Detroit, Mich., Dec. 19—Henry Ford today declared himself in favor of President Coolidge's election.

"I would not consent to run on any ticket against Mr. Coolidge," Ford added.

"The country feels perfectly safe with Mr. Coolidge and there ought not to be any disturbance arising from a presidential contest."

Ford expressed his belief that nine-tenths of the people were satisfied with Mr. Coolidge. "Why change?" he asked.

The auto manufacturer suggested it was time for another "era of good feeling" such as that which brought about the election of President Mon-

The first report from any of the townships, with the exception of Rushville outside the city, today helped materially in swelling the Christmas Seals and Health Bond fund and sent it far over the sum reported for the same day last year. At this time last year, however, none of the townships had made reports.

Miss Dorothy Sparks, chairman in charge of the township sales, stated this morning that indications were good for a big increase in receipts from all sections of the county outside of Rushville. Some of the townships in their preliminary report today exceeded the sum they raised last year.

The total reported by six townships amounted to \$205.65, which together with \$43.84 from the city, took the Seals campaign fund well over \$1,000 and far above the total for the same date last year.

Seals and Bond purchasers in Rushville were as follows:

Buss Ordinance Referred Back to
Committee for Revamping—Re-
solutions Committee Named

Dr. John M. Lee, city health commissioner, tendered his resignation to the city council Tuesday night, when they held their regular session and his resignation was accepted. The appointment of his successor is left to Mayor Thomas, who will name a local physician for that office by January first.

Failure on the part of people and officials to stand by the health board in their work, was given as the reason for Dr. Lee's resignation, and he urged in his letter to the council that the time was not far distant when a full time health officer could be employed.

The bus ordinance, which has had a stormy time for several months, and which was placed on first reading at the last session of the council, was again thrown back in the committee to be revamped, and reworded in order to define more specifically what streets the busses are supposed to travel on, and also to place a license fee of \$25 and \$50, with the first fee for busses carrying up to 12 passengers, and \$50 for busses carrying more than 12 passengers.

The matter of police was discussed only lightly, and the police committee was given a further extension of time. Mayor Thomas recommended that they look over the hay-mow in the city building with plans for remodeling it, and the committee was given time to make the necessary plans.

The fire limits ordinance was placed on third and final passage last night, which now extends the zone to include all territory, beginning at the corner of Fourth street and Morgan, extending south in the middle of Morgan to Third, west in the middle of Third to the first alley, south in the alley to the south corporate limits, east to the eastern corporation, and north to the C. I. & W. railroad, then west on the railroad to the place of beginning.

In the fire limit zone, no building can be erected unless of fire proof material, no addition can be built or remodeling done unless it conforms

AMERICAN LEGION IS TO PLAY SANTA CLAUS

Will Distribute Toys and Candy Among 300 Children at Soldiers' And Sailors' Orphans Home

PLANS FOR CHRISTMAS EVE

Knightstown, Ind., Dec. 19—Three hundred fatherless and motherless children in the Soldiers and Sailors Orphans' Home here will receive a visit from Santa Claus Christmas Day, according to a North Pole diagram forwarded here by the American Legion and the American Legion Auxiliary.

Members of the two organizations will stock up the good Saint's bag with toys and candy at Indianapolis and send him here by automobile truck Christmas eve. Each child will receive a gift. Three weeks ago the children at the Home were asked to write letters indicating what they would like to receive for Christmas. These preferences have been followed and each child will receive the present asked for.

A Christmas tree twenty-two feet high is to be erected in the chapel at the home. Exercises, including the singing of Christmas carols and a cantata, will precede the distribution of the gifts. A vaudeville team from the Keith circuit has volunteered its services for part of the entertainment.

Gifts for the orphans were bought out of a fund of \$700 made up of small donations from Legion posts and auxiliary units in all parts of Indiana. In addition to the orphans at the Home, about a hundred war orphans living in other sections of the state will receive Christmas packages.

I. & C. REMOVES TRACKS

The I. & C. Traction company has removed one of their tracks in West Seventh street, from Hodges, Branch to almost Oliver street, and all cars pass over the same track for the distance of nearly two blocks. The crossings over the Big Four and Nickel Plate railroads, have been a constant source of trouble, and by combining the tracks into one, it does away with some of the difficulty.

ALL THAT REMAINS

The indirect cause of the fatal Twentieth Century Limited train wreck at Forsyth, N. Y., was a luxurious sedan that stalled on a railroad crossing. The first section of the crack limited struck the auto and the photo above shows all that remains. Nine persons were killed in the train wreck.

Two Bills Introduced in The Senate Today By Edge

Washington, Dec. 18.—Two bills to revise the Volstead act were introduced in the senate by Senator Edge, New Jersey, republican.

The first would raise the permissible alcohol content of beverages from one-half of one percent to two percent.

The second would relieve restriction against the issuance of liquor prescriptions by physicians.

was convicted and sent last summer from Hancock county to the state penal farm, and he escaped in September, coming to a farm west of Arlington. Local officers were never notified concerning his escape.

The woman was living with him as his wife, and she told the officers this morning that she had served one term in the woman's prison for a similar charge.

The couple was implicated in a transaction at Knightstown involving a note, and Marshal Bradley of that place came yesterday to have them arrested, and which resulted in the unravelling of the lives of the two. Ellerman fled when the officers attempted to arrest him, and it was after a three hour search before he stopped, and after shots had been fired at him.

Ellerman is the same person who a few years ago was being taken to the reformatory by E. M. Jones, late sheriff of Rush county, and who made a dash for liberty as they were boarding a traction car at the station here. At that time Ellerman ran across the country and was rounded up near Shelbyville, and returned here and served a sentence on the larceny charge.

A representative of the state farm came early this morning and took him back. The woman will be taken to the prison, probably Thursday or Friday, where she will serve her term.

change over from single phase to direct current operation, are scheduled for completion by March 1 and constitute the first step in a plan to extend the Indianapolis-Rushville line to Cincinnati, a distance of seventy-three miles, providing interurban service for a territory that has not had such service.

The Westinghouse Electric and Manufacturing Company, which originally equipped the road, has the contract for providing the motor, air brake and control equipments for the twelve new motor passenger cars and four extra motors for equipment for freight motor cars and for eight automatic substations, one semi-automatic substation, and one portable automatic substation.

Under the improvement plan the company eventually proposes to abandon the Rushville powerhouse, finding it cheaper to buy power than to manufacture it.

The contract for supplying the new current carrying cables over the Indianapolis, Rushville and Connersville line, as well as the line from Indianapolis to Shelbyville, is held by the Western Electric Company.

This error was pointed out as one of the cases of illegal procedure in the course of the proposed paving of the street, and several other items were set out in which the plaintiff seeks to have the city permanently enjoined from continuing with the paving.

Don't Complain of Your Wife's Cooking

Auburn, Ind., Dec. 18.—It's a perilous thing for a man to complain of his wife's cooking, even after they have lived together for a third of a century.

"I never could please him" she declared. They had been married 33 years.

TOBACCO SELLING FOR LESS THAN LAST YEAR

Number of Locals Ask Co-Operative Association Leaders To Hold Crop For Higher Price

RECEIVING PLANS OPENED

A number of Locals of the Burley Tobacco Growers' Co-Operative Association the past week adopted resolutions asking President James C. Stone and other leaders of the co-operative to hold the 1922 crop which is left over from last year and all of the 1923 crop until a "fair and profitable price" can be realized for it.

Action by the locals followed a week's sales on the auction markets, the prices being made "the growers being 33 1/2 per cent lower than the opening week of 1922 market. These declines were general, being as marked at Richmond, Kentucky, and Greenville, Tennessee, where previous prices have been strong, as at the smaller markets.

At Lexington the sales for the week showed a loss of \$9.52 a hundred pounds from the average of last year's opening week. The sales for the week averaged \$19.76, as compared with \$29.28 a year ago. It was said at the Lexington re-

ceiving plants, which were opened last Thursday and received Thursday and Friday of last week, that the advances averaged more than 11 cents a pound on the crops delivered.

Receiving plants of the Association throughout the district opened last week.

GROWERS OF BURLEY TOBACCO, SHALL WE STAND TOGETHER?

The growers of Burley tobacco are mainly confined to a favored section of seven states—Kentucky, Ohio, Indiana, West Virginia, Tennessee, Missouri and Virginia. No other place in the known world produces Burley tobacco and there is no reason why, if the growers stand together in marketing their crop, that they should not receive a profitable price for it year after year.

The experience of the past has taught that the growers MUST STAND TOGETHER if they are to be able to collect fair prices. Otherwise their competition with each other will mean that the buyers will fix the price to be paid and that the growers will HAVE to take that price, whether it be profitable or not.

The experience of the new Burley Co-operative teaches us that we CAN get our price for tobacco by STANDING TOGETHER. The experience of the outside growers for the past month should be evidence to them that they have nothing whatever to say as to the prices they shall receive. Tobacco is now selling on the auction markets at less than the cost of production because the GROWERS have nothing to say as to the prices they shall receive.

There is only one way in which the growers ever can have anything to say as to prices they shall receive, and that is to unite in marketing their crops. For this reason and in the interest of the tobacco producing industry as a whole—association and non-association—the Burley Tobacco Growers' Co-operative Association has opened its books for new members until January 2, 1924. All growers of tobacco who want a fair price for their product are urged to join the Association NOW.

Let us all hang together in this matter. If we do not, in the words of the revolutionary patriot, we shall most assuredly "hang separately" and return to the old conditions which existed before the organization of the Burley Tobacco Growers Co-operative Association. These conditions are still fresh in the minds of all tobacco growers.

Sign a contract TODAY. Join with your neighbors for stable prices for tobacco and better conditions generally on the farms of the Burley district. All headquarters offices are now at 620 South Broadway. Telephone 5195 for all departments.

RIGHTEOUSNESS PAYS—Bet-
is a little with righteousness, than
great revenues without right.—
Proverbs 16:8.

A Sad Commentary

It is a sad commentary on the po-
lice protection afforded Rushville
that the slayer of City Councilman
Luther C. Sharp goes free without
any apparent effort being made to
apprehend him.

Those in charge of upholding the
law seemed totally at sea in regard
to a motive and apparently nothing
was done to unravel the mystery that
surrounded the fatal shooting of a
public official.

The county sheriff knew nothing

of the shooting until ten o'clock the
next morning, according to his own
statement which was almost twelve
hours after the deed had been com-
mitted. Why he was not notified by
the police is not generally under-
stood.

Much criticism of the police de-
partment was heard after the shoot-
ing, because more determined efforts
were not made immediately after the
attempted holdup, to get some trace
of the man who was responsible.
Since the death of Mr. Sharp, the
critics of the police are more vio-
lent. Many were of the opinion that
bloodhounds should have been called
to take up the trail of the offenders.

The ineffectual work that has
been done towards the solution of
the murder recalls the killing of a
grocer named Wagoner, at his home
at the corner of Ninth and Arthur
streets, several years ago. That murder
was never solved and the police
then were just as much puzzled as in
the present case. In that mystery,
however, the police did not have the
opportunity to get a clue on which
to base an investigation, such as they
had in this case.

Half Naturalized

Last year about 145,000 persons
were admitted to American citizen-
ship, but as immigration is around
350,000 a year it is evident that half
the aliens coming to our shores have
no intention of becoming citizens.
The statistics of aliens returning to
their own countries bear out that
conclusion.

They come here to win a fortune
under our beneficent laws and insti-
tutions, and then return with it to
their own countries. They make little
effort to learn our language or con-
form to our customs, and frequently
they align themselves with radical
elements that are seeking the over-
throw of the American government.
A law for the registration of such
people is imperatively needed, and a
bill for that purpose is now pending
in congress. In the opinion of the
department of justice, it will be a
most powerful weapon with which
to combat communistic influences.

Selects Officials For Game To Be
Played on Rushville Floor Fri-

THREE CONTESTS ON THE BILL

Milroy high school will be the host team here Friday night when they play Rushville in three basketball games, and officials for the contests were announced today. At the former game, Rushville was host, and on Friday night, it will be the same as if the locals were playing a return game at Milroy.

Milroy has selected Morrison of Indianapolis as referee and Hall of Richmond, as umpire, for the big game. W. E. Wagoner of Indianapolis has been selected as official score keeper and Van Hood, formerly of Carthage, but now of Indianapolis, also has been picked as official timer.

Milroy has been practicing a couple of times this week on the floor here, and they expect to present their strongest line-up in the game Friday. Two preliminary games will be played, in which the girls teams, and the second teams of the two schools will be featured. The first game between the girls will start at 6:30 o'clock.

Our Ancient History
Just 15 years ago this week, Manila trounced Moscow again, 41 to 12, which shows that history repeats itself, at least in a 15 year cycle. Last week, Manila walloped them 71 to 7, according to our 15 year ago columns.

Just 15 years ago this week, Rushville downed Milroy by a one sided score, and we are just wondering if that repeat stuff will work again.

Anderson 60; Connersville, 30. Seems as though some of these columnists have been over-rating Connersville. About a week ago Evansville remarked that if she could beat Connersville she would command a place among the best good ones. But as we said a while ago, it's a funny ole game.

SHELBYVILLE ELKS
TO MEET ARLINGTON

Rush County Team is Rounded Into
Shape For Contest in Arlington
Thursday

KELTS IN PRELIMINARY

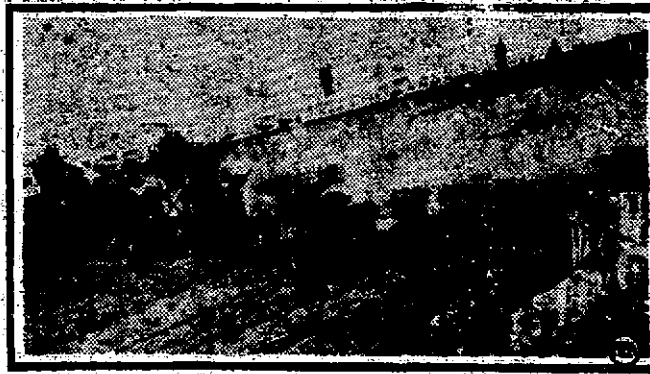

The Arlington Athletic Club basketball team will face some real opposition Thursday night when they hook up with the Shelbyville Elks at Arlington in their third game of the season. Fans are assured of the fastest basketball game to be played in Rush County this season. Arlington's team is rounding into form for this early in the season and their passing of the ball in last weeks game when they defeated the Speedy Westland team was marvelous and they are expected to continue this early season showing.

The team has in their lineup, Shook and Gardner, forwards. All fans in Rush county know the ability of these two speedy forwards, with Emerson Headlee at Center form a real combination that is equal to any in the county. Wicker and Miller are real floor guards, Hutchens at back guard, former Manilla high school player is showing up well. Haley, sub forward for Arlington, is showing well as a running mate to either Gardner or Shook. Last year the Shelbyville Elks were defeated by the Arlington team by one point in a hard fought game. The Shelbyville team has in their lineup the Richeson brothers, Kaufman, Hogue, Blakley and Moore. Arlington's team is out to repeat last year's victory. The Junior A. C.'s will play the curtain raiser with the Rushville Kelts. First game will start promptly at 7:30 P. M.

A CHRISTMAS CANTATA

A Christmas cantata entitled "A Trip to Clansville" will be rendered at the Y church in New Salem next Monday night. A Christmas tree will also be a part of the program. Everyone is cordially invited and urged to bring air presents and put them on the Christmas tree.

They're Off

The ponies are off again at Tia Juana, Mexico. This shows the start of the winter season, when Chivava an outsider won at 40 to 1.

LOOKING GOOD AT
START OF SEASON

Purdue And Indiana Basketball
Teams Will Give Big Ten Teams
Fight This Year

MOSTLY SECOND YEAR MEN

Each College Has Well Recognized
Players to Fill in Gaps Made by
Graduation

Indianapolis, Ind., Dec. -19—Hoosierdom's representatives in the Big Ten basketball race this year promise plenty of trouble for their opponents. Hopes of the Purdue and Indiana University quintets rest largely on second year men, but these men were of such recognized ability in high school and showed so much promise on freshmen teams last year that they are expected to fill all gaps left in the lineup by graduation.

Among the stars who will be missing from the Purdue lineup this year are Masers, Eversman, Holwerda, Kreighbaum and Treat.

The regulars left from last season and Captain Slum, Gullion, Rebbins, and Wellman.

Coach Lumbert has three reserves of last year and nine sophomores with which to build his team.

Travis and Moss, forwards, did not receive their letters last year but they are experienced net performers. Four sophomores of whom much is expected, are Theobald, Spradling, Taube and Harmsen. The last three played football. Spradling was an all state center at Frankfort high school. He can play a forward position.

Harmsen at forward, is another rangy player with plenty of promise. Carl Cramer, who hails from Michigan, will be groomed as Capt. Gullion's understudy.

At Indiana University the five will be led by Kenneth Alward at back guard. He is not the usual size of a player to fill that position but his work last year stamped him as one of the best in the Big Ten.

Parker, the big center who towers six feet six inches, is back this year and Coach Mann says he will go better than ever this season.

Nyikos at forward is fast on the floor and a natural basket shooter. But again it is the sophomores of whom much is expected. Sponsor, former Bloomington high school star is the leading candidate for the difficult job of floor guard, Logan is counted on to play either center or forward, while Druekammer, an all state high school selection two years ago, is slated for a forward berth.

Besides these there are a number of other varsity men, such as Knoy and Coffey, who are finished players.

AMUSEMENTS

Prominent in the cast are Joe Laurie, Jane Richardson, Midgie Miller, Bertie Beaumont, Russell Mack, Rex Carter, Julia Ralph, Walter F. Golf Honors in 1923

By HENRY L. FARRELL
(United Press Sports Editor)

New York, Dec. 19—Golf always has been a sport inclined to scatter its honors and keep its glory moving and 1923 was no exception to what has become a general rule that champions can't repeat.

Only two of all the major title holders of 1922 were able to retain their places at the top through the heated campaigns for 1923.

Gene Sarazen was able to retain his crown as the professional champion of the United States and Chick Evans did his annual stunt of winning the western championship.

Sarazen's victory in the professional tournament came late in the season and it prevented him from having a most unprofitable year, as he failed to qualify in the British open championship, lost his title as the American open champion and fell far below his 1922 standard of play in the other important tournaments.

Walter Hagen, who shares with Sarazen the credit of being the greatest match player in America, also had an off-season. He failed to win a single championship of importance and he lost the British open title which he won in 1922.

Professional golfers are inclined to take the loss of titles more seriously than amateur players as purses and fees for professionals depend naturally upon the list of titles that they can tack on to their signature.

Perhaps the feat that was most popularly received by the public was pulled Bobby Jones, the Atlanta youth, who came through spectacularly and won the American open championship in a play-off with Bobby Cruikshank, the clever little Scot pro.

It was pleasing to Bobby's friends, not only because he had striven so long and so earnestly for the championship, but for the reason that it was won under circumstances that gave proof of Bobby's capabilities as a good, game golfer.

Jones had thousands of friends pulling for him to do that seldom-done stunt of winning both the open and the amateur championships, but he fell short of their hopes.

Max Marston, Philadelphia, considered as nothing but an outsider, slipped through while all eyes were on Jones, Sweetser, Gullford and the other favorites and he won the championship.

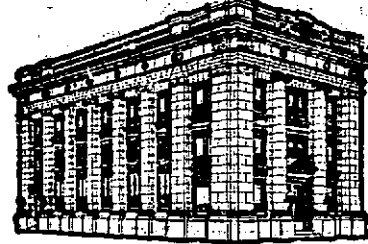

One of the features of women's plays during the championship season was the spirited comeback staged by Miss Alexa Stirling, several times national champion.

While the former Atlanta girl succeeded in winning the coveted Canadian championship, she was not good enough for the American title and Miss Edith Cummings, the Chicago girl, surprised everyone by coming through the tournament and winning the championship.

When Miss Cummings won the championship another unusual record was made, in that for the first time two major championships went to the same family. Dexter Cummings, of Yale, her brother won the intercollegiate championship early in the season.

As was the case in the United States, the British championships changed hands.

Roger Wethered won the amateur championship and Arthur Havers took the open title.

Social Notes

The regular meeting of the Delphian Society will be held Friday afternoon at 2:30 o'clock in the Elks club rooms. A good attendance of the membership is urged at this meeting.

Less than fifty couples attended the Elks pre-Christmas dance at the club rooms Tuesday evening. Many of the dancers were from surrounding towns and cities. The Miami Lucky Seven provided the music for the dancing.

Mrs. J. T. Arbuckle entertained the members of the Rainbow Division, her Sunday School class of the First Presbyterian church, Monday evening. A business meeting was held followed by the social hour and the serving of light refreshments.

The Auxiliary Club met at the home of Mrs. Olive Ketchum in North Perkins street Tuesday afternoon, she being assisted by Mrs. Alice Bainbridge, Mrs. Mary Bryant and Mrs. Tillie Gregg. The Christmas colors of red and green were used in the decorations of the home and a small Christmas tree formed an attractive centerpiece for the dining room table. After the business meeting a splendid program was given. It

was also the annual exchange of Christmas presents and many nice gifts were received by all those present. The hostess served a course luncheon to the members present. The next meeting of the club will be held at the home of Mrs. Sarah Rardin.

Mrs. John Kiplinger was hostess Tuesday evening to the Shakespeare Club at her home in North Main street. Mrs. Ball reviewed "Human Nature in the Bible" by Wm. Lyon Phelps, in a very interesting manner. Her talk was followed by a social hour and the serving of refreshments.

The Loyal Women's Class of the Main Street Christian Sunday School was delightfully entertained Tuesday afternoon at the home of Mrs. Eliza Billings in North Main street. The program opened with a devotional hour led by Mrs. Laura Jones followed by two readings by Mrs. Mary Conover and a Christmas story by Mrs. Dan Matlock. During the social hour after the program, refreshments were served by the hostess.

The Willing Workers of the Baptist church of Homer entertained their husbands and families with a two course dinner at the I. O. O. F. hall in Homer Saturday evening. The hall was appropriately decorated for the occasion in the Christmas colors and gifts were exchanged by the members. The special program given was enjoyed by all present. At the departing hour wishes of a merry Christmas and a Happy New Year were extended each guest.

The Loyal Daughters of the Main Street Christian church were entertained with a pretty Christmas party Tuesday evening at the home of Mrs. Norman Crum in West Seventh street. An important business meeting was held, during which officers for the coming year were elected as follows: Mrs. Lorene Nipp, president; Mrs. Marie Newkirk, vice president; Mrs. Gibson Ross, secretary; and Miss Dora Winkler, treasurer.

During the informal social hour at the close of the business session, Miss Martha Baxter entertained the guests with several clever readings. The hostess, assisted by Mrs. Ross Toles and Mrs. Ellis Downey, served dainty refreshments at the close of the meeting. Mrs. Paul Daubenspeck was a guest at this meeting.

Mrs. Curtis Scholl was a charming hostess Tuesday afternoon to the members of the Sorosis Club at her home near Falmouth, when she entertained with a Christmas party. The roll call was responded to by Christmas greetings and Mrs. Roland Murray read an original Christmas story. Miss Sarah Scholl gave two readings, one entitled "The Gift of Magi," by O. Henry, and the other "The Bewildered Bargainer," by William Herschell. Mrs. Ralph Elwell favored the guests with a piano solo and at the conclusion of the program Mrs. W.F. Saxon recited a little poem entitled "Plum Pudding," which was an invitation to the guests to go to the dining room, where an imitation of a plum pudding centered the dining table, from which streamers, were hanging, one for each guest. As they pulled on these streamers, a gift came out of the pudding for the one that was doing the pulling. This entertaining feature provided much amusement for those present. A delicious two course luncheon was served at the conclusion of the program and a delightful social hour enjoyed.

Mrs. Marjorie Hunt Bell delightfully entertained the members of the Always Present Class of the Main Street Christian church Tuesday evening at her home in this city. A business session was held during which officers were elected for the ensuing year, it being voted that the old officers retain their positions, Miss Letta Jordan, president, and Miss Clara Louise Johnson, secretary-treasurer. This meeting marked the close of the contest, and the division captained by Mrs. Allene Jones won, receiving 192 points, and the division captained by Mrs. Frances Howell obtaining 147 points, was the loser. The losing side will entertain the winners January 8 at the home of

Mrs. Ray Sample, five miles north of the city.

At the close of the business meeting there was a Christmas gift exchange and an informal social hour enjoyed. The hostess served her guests with delicious refreshments as the closing feature of the meeting. There were thirty one members and five visitors present.

The regular meeting of the Ladies Aid Society of the First United Presbyterian church was held Tuesday afternoon at the home of Miss Mary Fisher in West Ninth street. The hours were spent with sewing and a short business meeting was held, during which matters pertaining to the organization were discussed.

Patriotic, Boy Scout and Christmas songs were sung under the direction of Miss Gretchen Peterman, music supervisor in the schools, and Miss Helen Jaehne sang a very appropriate solo, the piano accompaniment being played by Miss Dorothy Sparks. Miss Lavienna Compton gave a group of readings, Miss Virginia Lucas providing the piano accompaniment.

The Rev. L. E. Brown of the Main Street Christian church, gave the boys a very interesting and instructive talk. He compared the Scouting program to a large building and explained how plans and foundations must be laid in either case. A part of the foundation, he pointed out, must be a willingness to pull together, to work and to help. He offered several examples of how a Scout might apply the good-turn-daily maxim. The minister concluded by showing the boys how they would get as much from the organization as they put in it. He illustrated this point with a very clever story.

The pledges to the Santa Claus fund were as follows:
Troop No. 1 ----- \$7.00
Troop No. 2 ----- 5.65
Troop No. 3 ----- 5.00
Troop No. 4 ----- 5.25

ANSWER TO CHAPTER IX.

But while Little Red Riding Hood picked flowers, the wicked wolf ran straight to the grandmother's house and hammered at the door. Dear Santa Claus: I am a little girl, six months old and I live in the very northern part of Wisconsin where there are a lot of wolves, bears and deer. 12 Good Reasons Why You Should Have An Account With This Strong Association

BECAUSE it is ABSOLUTELY SAFE. We loan on First Mortgages on improved Rushville and Rush County real estate.

BECAUSE we never go over two-thirds the value and generally about one-half.

BECAUSE with every payment our security gets better.

BECAUSE We HAVE NO BAD OR DOUBTFUL LOANS, and if any loss should develop in the future we have a fund of \$3500.00 to take care of it. This fund can be used for no other purpose.

BECAUSE the title to the property is investigated and is "good" before we will accept the loan.

BECAUSE we require borrowers to carry insurance to protect us in case of loss by fire or storm, usually to the full amount of the loan.

BECAUSE we are under State Examination the same as Banks and Trust Companies.

BECAUSE our active officers are under a heavy SURETY Company bond.

BECAUSE you can deposit to suit your convenience and you can withdraw in whole or in part WITHOUT NOTICE.

BECAUSE WE PAY 6 PER CENT AND NOT 3 OR 4 PER CENT. If not withdrawn this interest draws interest as it is compounded.

BECAUSE if you do not own your own home, possibly we can help you accumulate enough to make your payment of a part of the purchase price and we can help you with the balance.

BECAUSE there are many more GOOD reasons and no BAD ones.

Drop in and see us, maybe we can be of some benefit to you.

We will be pleased to see you.

DO YOU WONDER?

Asks This Lady, "That I'm a Believer in Cardui?"—Had Been So Weak She Had to Go to Bed.

Osawatimie, Kans.—Mrs. E. E. Keast, formerly of Illinois, residing here, says: "We moved to this state eleven years ago, and I had good health for a long while; and then some year or so ago I had a bad sick spell."

"I got so weak I couldn't go. I couldn't stand on my feet at all. I had to go to bed. I suffered a great deal. I was so nervous I felt I couldn't live. I tried medicines, and everything had the best of attention, yet I wasn't able to get up I lay for three months, not able to do anything."

"My husband is a bill poster and has circulars distributed. One day there happened to be a Ladies Birthday Almanac among his circulars. I read it, and told some of the family to get me a bottle of Cardui."

"I quit all other medicines and took it (Cardui) faithfully, and two weeks from the time I began to take Cardui I was out of bed—better than for months."

"I kept it up and continued to improve until I was a well woman."

"Do you wonder that I am a believer in Cardui? I certainly am. And I am sure there is no better tonic made for women than Cardui." NC-151
